

Application for a Refund of a Recreational Fishing Fee Payment

I wish to request a refund of my Recreational Fishing Fee payment due to the reason/s identified below.

***Please note: In order for us to consider and finalise any refund you will need to send back your original fishing fee receipt/s with your application (except if it relates to reason of overpayment of a renewal) as well as photocopies of any documents supporting your claim (e.g. being exempt from payment of the fee - if applicable).**

Refund amount, if approved, is proportional for the remaining period the payment covers either from the time the application is lodged or proportional to the time you became exempt from paying the recreational fishing fee. Some refunds may be fully refundable.

Approved refunds will be made via Bank Transfer.
