Complete this form if you want to release live fish that has been imported from interstate into NSW waters for the purpose of aquaculture (e.g. oyster spat that has been imported from interstate). If approved, a new condition will be added to your aquaculture permit in line with section 216 of the Fisheries Management Act 1994.

Note: if your aquaculture permit does not currently authorise the species you want to release, for the estuary or location in which you want to release the species, you must also apply to vary your aquaculture permit to add the proposed species to your permit.

1. Permit holder details

Details required	Give details in space provided
Name of permit holder (or company name if applicable)

- Are authorised to make this application.
- Acknowledge that all the information provided in this application is true and correct.
- Understand that giving false or misleading information is a serious offence.

Permit holder name	Permit holder signature	Date

7. Submitting your application

- Mail: NSW Department of Primary Industries, Locked Bag 1, Nelson Bay NSW 2315
- Email: aquaculture.administration@dpi.nsw.gov.au
- Phone enquiries: Aquaculture Administration on 0407 693 244 or 02 4916 3900

Privacy Collection Notice

Information collected on this application is subject to the *Privacy and Personal Information Protection Act 1998*. You must provide the information for NSW Department of Primary Industries – Fisheries to assess the application and to administer aquaculture leases and permits under the *Fisheries Management Act 1994*. Information collected will be stored securely within the FishOnline system and NSW DPI’s records management system, to which only authorised personnel have access.

NSW DPI – Fisheries may use the information and disclose it to authorised agencies by way of a Memorandum of Understanding, for related administration, regulation, research, and statistical reporting purposes. For example, but not limited to, purposes such as biosecurity matters, licensing with other agencies, industry extension and grant applications. The information may be pooled in a manner not identifying individuals to form industry-based statistics. Information collected may be publicly available on the NSW register of aquaculture permits in accordance with section 154 of the *Fisheries Management Act 1994*. Information collected may also be subject to other lawful requests for information such as subpoenas or GIPA (Government Information Public Access) requests. Section 19(2)(h) of the *Privacy and Personal Information Protection Act 1998* allows the disclosure of information when permitted or required by an Act (including an Act of the Commonwealth) of any other law.

Any email addresses collected may be used to electronically serve instruments if the customer has agreed to receive documentation from NSW DPI electronically. Information collected will be destroyed when no longer required. You may access or correct your information by contacting NSW DPI, Aquaculture Administration, Locked Bag 1, Nelson Bay NSW 2315, or via email aquaculture.administration@dpi.nsw.gov.au.
